

Pipe Support Brackets

(R100, R130, R160 & R200)

Stainless steel support brackets for use with our 'R' Series junction boxes and thermostats.

R Series Solution

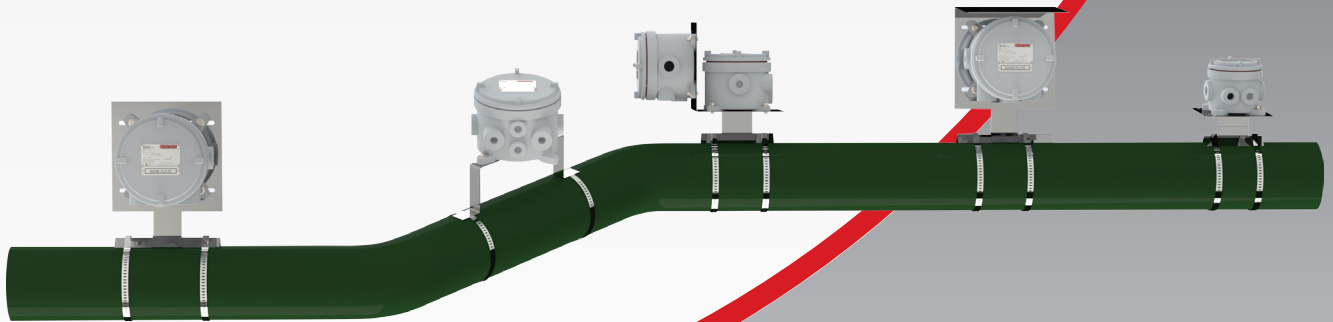

- Available for use in safe and hazardous areas.
- Enclosures suitable for Gas Group IIA, IIB and IIC.
- Stainless steel construction to prevent corrosion.
- Full range of accessories and termination kits available.

INTRODUCTION

As part of our commitment to innovation in the industry, Heat Trace Ltd is offering a customised Exd solution.

These pipe support brackets are designed and constructed from stainless steel for strength and corrosive resistance.

The support brackets can be provided in various sizes, which can be configured/customised based on your equipment.

The Heat Tracing Authority™
